Try these programs to get the most out of your Mac A long time coming But well worth the wait.. The app can take up a lot of data and battery life as it runs in the background GasBuddy is an app specifically designed for finding nearby gas stations and saving money on gas Use it to find the cheapest gas in your area and even filter gas stations by amenities like car washes, restaurants, and bathrooms.. This app has been a life saver, no longer do I need to carry a cumbersome planner or have to switch through multiple apps to put in dates and a to-do list.
